I sent david the slide of the map. I am waiting to hear from him if this is what he meant.

Hi David,

Sorry, I do not really understand this message, as in who is the audience, and what is the message to be conveyed.

Kate – are you in the office? Can you call me please.

Hi Michele,

We need 2-3 slides that Mike can use for a meeting he and Tomas have next week in DC. Mike suggested 1) the CA map with depiction of the Class II wells needing an AE; 2) a simplified slide showing the schedule for well closures, if AEs not approved; and one other slide? What do you think? David
